**SPONSOR A  
ROOM AND  
LIGHT UP  
A LGBTQ  
REFUGEE'S  
LIFE**

**CASA DE LUZ** is a collective house open to LGBTQ+ refugees who left their home country in search of a better life. We provide a safe haven for people who fear persecution because of their sexual orientation or gender identification. Trans, lesbian, gay & bisexual people are fleeing Latin American and Caribbean countries as well as Russia, Middle East, and Africa from epidemic levels of violence, murder, and threats by criminal gangs and security forces. Over 2,900 were killed in the past 5 years. These are the most vulnerable refugees entering the US and we help them legally find a pathway to legally gain Assylum to the USA.

As an Adopt-a-Room sponsor, your name will be displayed on a beautiful plaque outside the room. Foundation partners and donors tour our program on a regular basis. By sponsoring a room, you are showing the community and our guests that you are personally committed to providing support for Casa de Luz to our brothers and sisters.

The sponsorship funds that you provide go directly to our home and help to offset the cost of meals, utilities, and services provided to our residents.

## ADOPT-A- ROOM BENEFITS

- Plaques with the sponsor's name and whether or not the sponsored room is in honor or a remembrance for someone are placed outside the room to recognize your donation.
- Room sponsorships are for a 3 year term. Room sponsors have the opportunity to renew their term sponsorship before the rooms are released to the community at the end of their term.
- Upon request, we can send you opportunities to upgrade to your room, like decorating, or providing new bedding. You will receive invitations to Casa de Luz events throughout the year.
